About Me

As an interior designer, I craft **spaces that tell compelling stories** by blending **bold concepts** with functional, **user-centered solutions**. I focus on projects that bridge **tradition and innovation**, creating meaningful, **immersive environments**. Known for my **leadership** and **dynamic presentation** skills, I thrive in fast-paced, collaborative settings, turning visionary ideas into **impactful designs**.

Skills

- AutoCAD
- SketchUp
- Enscape
- V-Ray
- Twinmotion
- Unity
- D5 Render

Education

- Bachelor of Design (Hons) - Interior Design
Woxsen University 2022 - 2026
- Senior Secondary Education
St.Andrews School - Bowenpally 2020 - 2022
- Secondary Education
Delhi Public School - Secunderabad 2007 - 2020

Experience

- Interior Designer
PractiSc Learning Innovations Pvt. Ltd. NOV 2025-MAY 2026
Commissioned to design a new **Early Childhood Education Centre** and renovate existing Anganwadi spaces under a government brief. Led the full design process; **spatial planning, material sourcing, and coordination** with product designers and contractors, across multiple sites simultaneously. All sites were handed over on schedule and met **government specifications**.
- Interior Stylist
The Colosseum MAY-OCT 2025
Handled full-cycle **luxury interior styling** for a retail client, working **independently**. Developed bespoke **spatial concepts, sourced materials**, and managed all **on-site installation**. All concepts were approved without revisions and spaces were delivered on time.
- 3D Visualiser
Quartzkraaft FEB-MARCH 2025
Produced **photorealistic renders** for Quartzkraaft's full product line to support client presentations and **speed up purchase decisions**.
- Spatial Designer
GMR- Hyd Airport JAN-FEB 2025
Selected to **redesign passenger waiting areas** at Hyderabad Airport, with a brief to **improve comfort** and reflect the airport's brand identity. Researched **passenger behaviour**, developed layouts prioritising ease of movement and dwell comfort.
- Junior Designer
Deloitte AUG-NOV 2024
Selected for a **confidential project** on the **future of retail**. Developed **spatial concepts and master plans** for immersive, user-centric retail environments, drawing on retail behaviour research and trend analysis.
- Interior Design Intern
Olive House Interior Studio MAY-JULY 2024
Gained **hands-on experience** in drafting, project coordination, and studio workflows, enhancing **technical and communication skills**.
- Social Media Head
Neevo.life MAY- JULY 2023
Led brand's **visual transformation, user-centric design** across **logos, packaging**, and promotional materials, while **curating minimalist content** to enhance engagement and reflect brand sustainability.
